NOTICE TO CUSTOMERS

Please order as early as possible on receipt of this price list. The planting season is all too short, and early ordering will enable us to make early delivery just as soon as planting conditions are right. Remittance may be made by postal money order, check, or registered mail.

Express shipments go forward at the purchaser's expense.

Small shipments can be forwarded by Parcel Post. Please add 10% to the amount of order. No order less than the amount of \$1.00 will be shipped.

We suggest, as far as possible, that intending purchasers come and personally select plants desired.
